Stratificato Compact Grade HPL

Stratificato by ABET LAMINATI is a compact grade high pressure laminate designed for applications where exceptional durability and aesthetic versatility are essential. Available in virtually limitless decors and finishes,

Stratificato is engineered for high-impact environments such as:

- Toilet Partitions
- Wall Cladding
- Work Surfaces
- Lockers

Ask about our Quick Ship Program | Ships in 4-6 weeks.

Stratificato Interior Walls

Ideal for high-traffic vertical surfaces, Stratificato Interior Walls combines style and strength and is perfect for projects where durability is critical and design cannot be compromised.

From concept to completion, ABET LAMINATI delivers more than panels—we provide a full solution. Our team partners with you at every stage, offering design assistance from specification through shop drawings and estimating, to fabrication. With our complete system approach, you get a cohesive, high-performance package backed by Italian design, local craftsmanship, and dedicated project support.

Available attachment systems include:

- Exposed
- Concealed
 - Progressive
 - Non-Progressive
 - Planks

Labgrade & Labgrade Plus

For demanding laboratory applications requiring maximum chemical resistance and long lasting performance.

- SEFA 3 & SEFA 8 certified
- Engineered for heavy use
- Seamless estimating-to-fabrication workflow for speed and quality control
